

Course Deferment Request Form

Deferment will be approved only under compassionate and compelling circumstances. Students must submit the evidence of compassionate and compelling circumstances together with this application to support the claim. If the student goes overseas or returning to their home country during this time, confirmed air ticket should also be submitted.

Please Note:

- Deferment may affect the course end date and future course commencement date. This may lead you to apply for an extension of student visa to complete the course(s).
- The units that you will miss during deferment are subject to availability. EAA may or may not be able to offer these units upon your return and you may need to make other arrangements to complete them.
